ANNUAL MEETING OF STOCKHOLDERS

May 17, 2011

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Cullman Bancorp, Inc. (the "Company") to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held at the main office of Cullman Savings Bank, located at 316 Second Avenue S.W., Cullman, Alabama, on Tuesday, May 17, 2011, at 5:00 p.m., Alabama time, and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Stockholders, the Proxy Card and this Proxy Statement are first being mailed to stockholders on or about April 18, 2011.

REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by such proxies on such matters in such manner as shall be determined by a majority of the Board of Directors.**

A proxy may be revoked at any time prior to its exercise by sending written notice of revocation to the Secretary of the Company at the address shown above, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

VOTING PROCEDURES AND METHODS OF COUNTING VOTES

Holders of record of the Company's common stock, par value \$0.01 per share, as of the close of business on March 31, 2011 (the "Record Date") are entitled to one vote for each share then held. As of the Record Date, the Company had 2,561,996 shares of common stock issued and outstanding, 1,382,012 of which were held by Cullman Savings Bank, M.H.C. (the "Mutual Holding Company"), and 1,179,984 of which were held by stockholders other than the Mutual Holding Company ("Minority Stockholders"). The presence in person or by proxy of a majority of the total number of shares of common stock outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies. However, the presence by proxy of the Mutual Holding Company's shares will assure a quorum is present at the Annual Meeting.

As to the election of directors, the Proxy Card being provided by the Board of Directors enables a stockholder to vote FOR the election of the two nominees proposed by the Board of Directors, to WITHHOLD AUTHORITY to vote for the nominees being proposed or to vote FOR ALL EXCEPT one or more of the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the ratification of Crowe Horwath LLP as the Company’s independent registered public accounting firm, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on the ratification. The ratification of this matter shall be determined by a majority of the votes cast, without regard to broker non-votes or proxies marked ABSTAIN.

Management of the Company anticipates that the Mutual Holding Company, the majority stockholder of the Company, will vote all of its shares in favor of all the matters set forth above. If the Mutual Holding Company votes all of its shares in favor of the election of the two nominees proposed by the Board of Directors and in favor of the ratification of Crowe Horwath LLP as the Company’s independent registered public accounting firm, the approval of each such proposal would be assured.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Board of Directors of the Company.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

Persons and groups who beneficially own in excess of 5% of the common stock are required to file certain reports with the Securities and Exchange Commission (the “SEC”) regarding such ownership. PROPOSAL 1—ELECTION OF DIRECTORS

The Company’s Board of Directors currently consists of five members.

The Company’s bylaws provide that approximately one-third of the directors are to be elected annually. Directors of the Company are generally elected to serve for a three-year period and until their respective successors have been elected. The Nominating Committee of the Board of Directors has nominated Kim J. Chaney and Nancy McClellan, each to serve as a director for a three-year term and until his or her successor has been elected and shall qualify. Each of the nominees is currently a member of the Board of Directors.

The table below sets forth certain information as of March 31, 2011 regarding the composition of the Company's Board of Directors, including the terms of office of members of the Board of Directors. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Annual Meeting for the election of the nominees identified below. If a nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may determine. At this time, the Board of Directors knows of no reason why any of the nominees would be unable to serve if elected. Except as indicated herein, there are no arrangements or understandings between any nominee and any other person pursuant to which such nominee was selected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES LISTED IN THIS PROXY STATEMENT.

Attributes / Skills of Directors

When considering whether directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively, the Nominating Committee and the Board of Directors focused primarily on the information included in each of the directors' individual biographies set forth above. The particular experience, qualifications, attributes or skills that led the Board of Directors to conclude that each person could serve as a director of the Company are summarized below:

John A Riley III – Mr. Riley joined the Board of Directors of Cullman Savings Bank in 2000. He is President and Chief Executive Officer of Cullman Savings Bank. Since starting his employment with the Bank in 1993, he has served in several positions that have enabled him to develop an in-depth understanding of all areas of bank operations. By sharing with the Board of Directors this practical understanding of Bank operations, Mr. Riley has aided Board analysis and decision-making. In addition, Mr. Riley is very active in the local community and has many business contacts, which have been beneficial to the Company and the Bank.

Dr. William F. Peinhardt - Dr. Peinhardt joined the Board of Directors of Cullman Savings Bank in 1999. He is President of Cullman Internal Medicine and serves as Medical Director of Cardiopulmonary Rehabilitation at Cullman Regional Medical Center. His expertise in the areas of management and personnel and his vast experience in the medical field and other business ventures have enhanced the Board's efficiency and effectiveness.

Dr. Paul D. Bussman - Dr. Bussman joined the Board of Directors of Cullman Savings Bank in 1994. He has been a dentist in private practice in Cullman, Alabama since 1983. The experience he has gained as a small business owner and operator and in his professional career has been an asset to the Board in considering personnel, budgeting, and strategic planning issues.

Kim J. Chaney - Judge Chaney joined the Board of Directors of Cullman Savings Bank in 1999. He has been the Presiding District Judge of Cullman County since 1992. His legal background aids the Board of Directors in its consideration of legal matters. He also is well connected in the community and utilizes these contacts to provide business leads for the Bank and the Company.

Nancy McClellan – Ms. McClellan joined the Board of Directors of Cullman Savings Bank in 2004. She has been an attorney in private practice since 1982. She serves as legal council for the Bank and possesses extensive knowledge in the area of real estate law. This expertise in real estate law has served the Bank and the Board of Directors well over the years since the vast majority of the Bank's lending is real estate related.

The Nominating Committee and the Board of Directors do not have a formal diversity policy in identifying nominees for director. However, in considering all of the attributes of an effective director in the context of existing members of the Board, the Committee and the Board do consider differences of viewpoint (including different viewpoints derived from diverse race, gender and national origin), professional experience, education and skills so as to achieve balance and heterogeneity in backgrounds and experiences on the Board.

Board Independence, Leadership Structure and Risk Oversight

The Board of Directors has determined that, except for Mr. Riley, each member of the Board of Directors is an “independent director” within the meaning of Rule 4200(a)(15) of the NASDAQ corporate governance listing standards. Mr. Riley is not considered independent because he serves as an executive officer of the Company. In determining the independence of the independent directors listed above, the Board of Directors considered the fact that Ms. McClellan is a partner in the law firm of Bland, Harris & McClellan, P.C., a law firm that performs legal services for Cullman Savings Bank and also sells title insurance to borrowers of Cullman Savings Bank for which it receives commissions from the title insurer at prescribed rates. The Board of Directors also reviewed the lending transactions with certain directors that are reported below under the heading “—Transactions with Certain Related Persons.”

To assure effective and independent oversight of management, in 2006, the Board of Directors separated the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between these two roles in management of the Company. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day-to-day leadership and performance of the Company, while the Chairman of the Board provides guidance to the Chief Executive Officer, sets the agenda for Board meetings and presides over meetings of the full Board. The Chairman of the Board is an independent, non-management role.

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company’s risks. The Board regularly reviews reports from members of senior management on areas of material risk to the Company, including credit, financial, operational, liquidity, legal and regulatory risks. In reviewing the reports, the full Board, or the appropriate Committee in the case of risks that are under the purview of a particular Committee, discuss with the members of senior management responsible for the areas covered by the reports how risks have been identified and what strategies and procedures have been put in place to mitigate risks. When a Committee receives a report, the Chairman of the relevant Committee communicates the results of the report review to the full Board at the next Board meeting. This enables the Board and its Committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Section 16(a) Beneficial Ownership Reporting Compliance

The common stock of the Company is registered with the Securities and Exchange Commission (“SEC”) pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The officers and directors of the Company and beneficial owners of greater than 10% of the Company’s common stock (“10% beneficial owners”) are required to file reports on Forms 3, 4 and 5 with the SEC disclosing beneficial ownership and changes in beneficial ownership of the common stock. SEC rules require disclosure in the Company’s Proxy Statement or Annual Report on Form 10-K of the failure of an officer, director or 10% beneficial owner of the Company’s common stock to file a Form 3, 4, or 5 on a timely basis. Based on the Company’s review of such ownership reports, the Company believes that no officer or director of the Company failed to timely file such ownership reports for the fiscal year ended December 31, 2010.

Meetings and Committees of the Board of Directors

General. The business of the Company is conducted at regular and special meetings of the full Board of Directors and its standing committees. In addition, the “independent” members of the Board of Directors meet in executive sessions on an as needed basis. The standing committees include the Compensation, Nominating and Audit Committees. During the year ended December 31, 2010, the Board of Directors held eight regular meetings and one special meeting. No member of the Board of Directors or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which he has been a director); and (ii) the total number of meetings held by all committees of the Board of Directors on which he or she served (during the periods that he or she served).

While the Company has no formal policy on director attendance at annual meetings of stockholders, all directors are encouraged to attend.

Nominating Committee. The Nominating Committee consists of directors Bussman, Chaney and Peinhardt. Each member of the Nominating Committee is considered “independent” as defined in the NASDAQ corporate governance listing standards. The Board of Directors has adopted a written charter for the Committee, which is available at the Company’s website at www.cullmansavingsbank.com. The Committee met one time during the year ended December 31, 2010.

The primary function of the Nominating Committee is to lead the search for individuals qualified to become members of the Board of Directors and to select director nominees to be presented for stockholder approval. The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company’s business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors does not wish to continue in service, or if the Committee or the Board of Directors decides not to re-nominate a member for re-election, or if the size of the Board of Directors is increased, the Committee would solicit suggestions for director candidates from all members of the Board of Directors. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. During the year ended December 31, 2010, the Company did not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees for director. The Nominating Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

- have the highest personal and professional ethics and integrity and whose values are compatible with the Company’s;
- have experiences and achievements that have given them the ability to exercise and develop good business judgment;
- are willing to devote the necessary time to the work of the Board and its committees and are available for Board and committee meetings;
- are familiar with the communities in which the Company operates and is actively engaged in community activities;
- are not involved in other activities or interests that create a conflict with their responsibilities to the Company and its stockholders; and
- have the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

Finally, the Nominating Committee will take into account whether a candidate satisfies the criteria for “independence” under the NASDAQ corporate governance listing standards, and if a nominee is sought for service on the audit committee, the financial and accounting expertise of a candidate, including whether the individual qualifies as an audit committee financial expert.

Procedures for the Recommendation of Director Nominees by Stockholders. The Nominating Committee has adopted procedures for the submission of director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Nominating Committee will consider candidates submitted by the Company’s stockholders. Stockholders can submit qualified names of candidates for director by writing to our Corporate Secretary, at 316 Second Avenue, S.W., Cullman, Alabama 35055. The Corporate Secretary must receive a submission not less than 120 days prior to the anniversary date of the Company’s proxy materials for the preceding year’s annual meeting. However, if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year’s annual meeting, to be timely the recommendation for director must be so delivered not later than the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made. The submission must include the following information:

- A statement that the writer is a stockholder and is proposing a candidate for consideration by the committee;
- The name and address of the stockholder as they appear on the Company's books, and number of shares of the Company's common stock that are owned beneficially by such stockholder. If the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required;
- The name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate. If the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided;
- A statement of the candidate's business and educational experience;
- Such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;
- A statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company or any of its affiliates;
- Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- A statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

Submissions that are received and that meet the criteria outlined above are forwarded to the Chairman of the Nominating Committee for further review and consideration. A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in this proxy statement under the heading "Stockholder Proposals". No submission for Board nominees was received by the Company for the Annual Meeting.

Stockholder Communications with the Board of Directors. A stockholder of the Company who wishes to communicate with the Board of Directors or with any individual director may write to the Corporate Secretary of the Company, 316 Second Avenue, S.W., Cullman, Alabama 35055, Attention: Board Administration. The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Corporate Secretary will:

- Forward the communication to the Director or Directors to whom it is addressed;
- Attempt to handle the inquiry directly, for example where it is a request for information about the company or it is a stock-related matter; or
- Not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, the Chairman will present a summary of all communications received since the last meeting that were not forwarded and make such communications available to the Directors on request.

The Audit Committee. The Audit Committee consists of directors Bussman, Chaney and Peinhardt. Each member of the Audit Committee is considered "independent" as defined in the NASDAQ corporate governance listing standards and under SEC Rule 10A-3. Based on its review of the criteria of an "audit committee financial expert" under the rules adopted by the Securities and Exchange Commission, the Board of Directors does not believe that any member of the Audit Committee qualifies as an audit committee financial expert. While the Board of Directors will consider adding a person who qualifies as an audit committee financial expert should future vacancies arise on the Board of Directors, it has chosen not to expand the Board of Directors for the sole purpose of adding an audit committee financial expert because of the significant financial expertise of the current board

members. Specifically, directors Bussman, Chaney and Peinhardt have each served on Cullman Savings Bank's Audit Committee for a minimum of ten years. Each of them has an understanding of, and the ability to analyze and evaluate, Cullman Savings Bank's financial statements, as well as an understanding of an audit committee's functions. Additionally, Messrs. Bussman and Peinhardt have each overseen and assessed the finances of their personal businesses.

The duties and responsibilities of the Audit Committee include, among other things:

- retaining, overseeing and evaluating an independent registered public accounting firm in connection with the audit of the Company's annual financial consolidated statements;
- in consultation with the independent registered public accounting firm and the Company's internal audit firms, reviewing the integrity of the Company's financial reporting processes, both internal and external;
- approving the scope of the audit in advance;
- reviewing the financial statements and the audit report with management and the independent registered public accounting firm;
- considering whether the provision of services by the independent registered public accounting firm not related to the annual audit and quarterly reviews is consistent with maintaining its independence;
- reviewing earnings and financial releases and quarterly reports filed with the SEC;
- consulting with the internal audit firms' staffs and reviewing management's administration of the system of internal accounting controls;
- approving all engagements for audit and non-audit services by the independent registered public accounting firm; and
- reviewing the adequacy of the audit committee charter.

The Audit Committee met six times during the year ended December 31, 2010. The Audit Committee reports to the Board of Directors on its activities and findings. The Board of Directors has adopted a written charter for the Audit Committee, which is available at the Company's website at www.cullmansavingsbank.com.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010. In addition, the Audit Committee approved the appointment of Crowe Horwath LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011, subject to the ratification of the appointment by the stockholders.

Code of Ethics

The Company has adopted a Code of Ethics that is applicable to the Company's officers, directors and employees, including its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Ethics is available on the Company's website at www.cullmansavingsbank.com. Amendments to and waivers from the Code of Ethics will also be disclosed on the Company's website.

Compensation Committee

The Compensation Committee, consisting of independent directors Bussman, Chaney and Peinhardt, generally determines salary and other compensation for employees, including the Named Executive Officers, as defined below. Each member of the Compensation Committee is considered "independent" as defined in the NASDAQ corporate governance listing standards. The Compensation Committee meets in executive session to determine such salaries. The Compensation Committee met two times in the year ended December 31, 2010 to establish salaries and incentive plans for the staff of the Cullman Savings Bank and the Company. The Board of Directors has adopted a written charter for the Compensation Committee, which is available at the Company's website at www.cullmansavingsbank.com.

During 2010, the Committee did not retain a compensation and benefits consultant.

Executive Compensation

The Board of Directors' philosophy is to align executive compensation with the interests of its stockholders and to determine appropriate compensation levels that will enable it to meet the following objectives:

- To attract, retain and motivate an experienced, competent executive management team;
- To reward the executive management team for the enhancement of shareholder value based on annual earnings performance and the market price of the Company's stock;
- To provide compensation rewards that are adequately balanced between short-term and long-term performance goals;

- To encourage ownership of the Company’s common stock through stock-based compensation; and
- To maintain compensation levels that are competitive with other financial institutions and particularly those in the Company’s peer group based on asset size and market area.

The Board of Directors considers a number of factors in its decisions regarding executive compensation and benefits including, but not limited to, the level of responsibility and performance of the individual executive officer, the overall performance of the Company, and consideration of industry, community bank peers and local market conditions. Base salary levels of the Company’s and Cullman Savings Bank’s executive officers are set to reflect the duties and responsibilities inherent in the position and to reflect competitive conditions in the banking business in the Company’s market area. In setting base salaries, the Board of Directors also considers a number of factors relating to each executive officer, including individual performance, job responsibilities, experience level, ability and the knowledge of the position, and overall performance of the Company and Cullman Savings Bank. These factors are considered subjectively and, where possible, quantitatively, and are weighted partially by those aspects deemed more significant than others. Such a weighting of these evaluation factors will vary from year to year in response to the strategic plan and current market conditions. The Board of Directors also considers the recommendations of the Chief Executive Officer with respect to the compensation of the other executive officers. The Board of Directors and the Chief Executive Officer review the same information in connection with these performance evaluations and related recommendations of these executives.

Benefit Plans

Deferred Incentive Plan. Cullman Savings Bank maintains a Deferred Incentive Plan whereby John A. Riley, Alan R. Wood and Michael Duke may receive an annual amount credited to their account. The executives do not contribute to the plan. The amount of the annual award ranges between 0% and 20% of an executive's base salary and the amount is determined based on Cullman Savings Bank's performance. For 2010, Messrs. Riley, Wood and Duke would receive an award of 10% of base salary if the return on assets is 0.60%, or 15% of base salary if the return on assets is 0.75% and an award of 20% of base salary if the return on assets is 0.90%. The specific goals are determined annually and are subject to the discretion of the Board of Directors, Chief Executive Officer or any appropriate management personnel. For 2010, the Board of Directors set the specific goals, in consultation with our Chief Executive Officer. The Deferred Incentive Plan, which is an unfunded plan, provides that each annual award is credited with an assumed annual return equal to the greater of an interest rate equal to 6% or 10 times the Bank's return on assets for the most recently completed year, but not to exceed an interest rate of 10%. In addition, each annual award is subject to a 5-year cliff vesting schedule and executives will become 100% vested upon a change in control, death, disability or retirement. Executives will receive a distribution upon termination of service, or if earlier, the occurrence of an unforeseen emergency, death, disability or change in control. For 2010, Messrs. Riley, Wood and Duke received \$38,029, \$29,455 and \$28,533, respectively, under the plan.

Profit Sharing Plan. Cullman Savings Bank maintains a tax-qualified defined contribution plan for eligible employees (the "Profit Sharing Plan"). All employees at least age 19 who have completed at least one year of entry service are eligible to participate in the Profit Sharing Plan. The Bank may make an annual discretionary contribution to the Profit Sharing Plan which is shared among all eligible participants, including the Named Executive Officers. Participants may not make any contributions to the Profit Sharing Plan. The Bank has made a discretionary profit sharing contribution in each year since 1984. To be eligible to share in the discretionary profit sharing contribution, a participant must be employed on December 31. A participant will also be eligible to share in the profit sharing contribution if he or she was an active participant at any time during the plan year and retired, died or became totally disabled. The discretionary profit sharing contribution is divided among participants on the basis of each participant's proportional share of compensation relative to all participants. Participants become 100% vested in the contributions made to their account upon the completion of 3 years of service. In 2010, the Bank made a discretionary contribution in the amount of \$299,921 to the Profit Sharing Plan. For 2010, Messrs. Riley, Wood and Duke received \$38,190, \$26,594 and \$25,772, respectively, under the plan. The Profit Sharing Plan provides participants with the opportunity to purchase and sell the common stock of Cullman Bancorp, Inc.

Employment and Change in Control Agreements. Cullman Bancorp and Cullman Savings Bank have not entered into any employment or change in control agreements with any of its executive officers.

Employee Stock Ownership Plan. Cullman Savings Bank has adopted an employee stock ownership plan. Eligible employees who have attained age 19 and completed 1,000 hours of service during a continuous 12-month period are eligible to participate in the plan. The employee stock ownership plan trust has borrowed funds from the Company and used those funds to purchase 98,500 shares of Company common stock. Collateral for the loan is the common stock purchased by the employee stock ownership plan. The loan will be repaid principally from Cullman Savings Bank discretionary contributions to the employee stock ownership plan over a period of 20 years. The loan documents provide that the loan may be repaid over a shorter period, without penalty for prepayments. The interest rate for the employee stock ownership plan loan is an adjustable rate equal to the prime rate, as published in *The Wall Street Journal*, on the closing date of the offering. Thereafter the interest rate adjusts annually and will be the prime rate on the first business day of the calendar year, retroactive to January 1 of such year. Shares purchased by the employee stock ownership plan are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the employee stock ownership plan and shares released from the suspense account in an amount proportional to the repayment of the employee stock ownership plan loan are allocated among employee stock ownership plan participants on the basis of compensation in the year of allocation. Participants will become 100% vested upon the completion of three years of service. Participants who were employed by Cullman Savings Bank immediately prior to the offering will receive credit for vesting purposes for years of service prior to adoption

of the employee stock ownership plan. Participants also will become fully vested automatically upon normal retirement, death or disability, a change in control, or termination of the employee stock ownership plan. Generally, participants will receive distributions from the employee stock ownership plan upon separation from service. The employee stock ownership plan reallocates any unvested shares forfeited upon termination of employment among the remaining participants.

The employee stock ownership plan permits participants to direct the trustee as to how to vote the shares of common stock allocated to their accounts. The trustee votes unallocated shares and allocated shares for which participants do not provide instructions on any matter in the same ratio as those shares for which participants provide instructions, subject to fulfillment of the trustee’s fiduciary responsibilities.

Pursuant to SOP 93-6, the Company records compensation expense each year in an amount equal to the fair market value of the shares committed to be released from the suspense account.

Directors’ Compensation

The following table sets forth the compensation paid to our directors, other than Mr. Riley, during the year ended December 31, 2010. Information with respect to director fees and other director compensation paid to Mr. Riley is included below in “Summary Compensation Table.”

Director Compensation				
Name	Fees earned or paid in cash (\$)	Nonqualified deferred compensation earnings (\$)	All other compensation (\$) ⁽¹⁾	Total (\$)
Dr. Paul D. Bussman	18,000	1,758	6,000	25,758
Kim J. Chaney	18,000	1,460	6,000	25,460
Nancy McClellan	18,000	1,893	6,000	25,893
Dr. William F. Peinhardt	18,000	1,460	6,000	25,460

(1) Amounts represent Cullman Savings Bank’s matching contribution under our Directors’ Cash Compensation Deferral Plan in the amount of \$6,000.

Fees. Cullman Savings Bank pays each director a fee of \$1,500 for each board meeting attended. No separate fees are paid for committee meetings attended or for service as committee chairmen. Cullman Bancorp, Inc. does not pay any meeting or committee fees.

Cash Compensation Deferral Plan. Cullman Savings Bank maintains a Directors’ Cash Compensation Deferral Plan whereby directors may elect to defer a minimum of 25% and a maximum of 100% of their board fees until the later of age 65 or termination of service, or if earlier, the occurrence of an unforeseen emergency, death, disability or change in control. The Directors’ Cash Compensation Deferral Plan, which is an unfunded plan, provides for an annual matching contribution equal to 100% of the elected deferral amount, not to exceed \$6,000 annually, and an assumed annual return on deferred amounts in an amount equal to the greater of an interest rate equal to 6% or 10 times Cullman Savings Bank’s return on assets for the most recently completed year, but not to exceed an interest rate of 10%.

In the event a director dies before he or she terminates service as a director, the director’s beneficiary will be paid a death benefit determined by assuming the director had remained in service until age sixty-five (65) and elected the maximum deferral and received the maximum matching contribution each year. Cullman Savings Bank elected to fund this death benefit through the purchase of life insurance policies on the life of each director, except for Kim Chaney. The dollar value of the premiums paid on the life insurance policies is provided in the next paragraph. The amount of the death benefit payable under the Directors’ Cash Compensation Deferral Plan is reduced by the amount of life insurance proceeds payable upon the death of a director, which is specified in each director’s Split Dollar Agreement. If a director dies after he or she terminates service as a director, the director’s beneficiary will receive only the unpaid portion of the director’s account. For Kim Chaney only, in the event of his death as of December 31, 2010, his beneficiary would receive a death benefit of \$262,508 payable over a ten year period.

Split Dollar Agreements. In conjunction with the adoption of the Directors' Cash Compensation Deferral Plan, Cullman Savings Bank has purchased insurance policies on the lives of the directors, other than Kim Chaney, and has entered into endorsement Split Dollar Agreements with each of our directors, other than Kim Chaney. The policies are owned by Cullman Savings Bank which paid each premium due on the policies in a single lump sum. The amount of the premiums paid for the life insurance policies was \$1,007,338, \$401,500, \$236,447 and \$354,715, respectively, on behalf of Messrs. Riley, Bussman, Peinhardt and Ms. McClellan. Under the Split Dollar Agreements, upon a director's death while he or she was a director of Cullman Savings Bank, the director's beneficiary will be paid a death benefit equal to the lesser of (i) one-hundred percent (100%) of the portion of the insurance proceeds designated in each director's Split Dollar Agreement, or (ii) the director's death benefit as calculated under the Cash Compensation Deferral Plan. In the event of the director's deaths as of December 31, 2010, the beneficiaries of Dr. Bussman, Ms. McClellan, Dr. Peinhardt and Mr. Riley would receive a death benefit of \$254,045, \$315,421, \$128,368 and \$627,489, respectively. The amount of this benefit is reduced from the amount of the death benefit payable under the Cash Compensation Deferral Plan.

In the event a director dies after he or she terminated service as a director for any reason, including retirement, he or she will not be entitled to any benefits under his or her Split Dollar Agreement. The Split Dollar Agreement may be terminated at any time by Cullman Savings Bank or the director, by written notice to the other. The Split Dollar Agreement will also terminate automatically if a Director ceases to serve as a member of the board of directors for any reason except death, upon the surrender, cessation of Cullman Savings Bank's business or upon bankruptcy, receivership or dissolution of Cullman Savings Bank. Upon termination, the director forfeits any right in the death benefit and Cullman Savings Bank may retain or terminate the insurance policy in its sole discretion.

2010 Equity Incentive Plan. In December 2010, our stockholders approved the Cullman Bancorp, Inc. 2010 Equity Incentive Plan (the "Equity Incentive Plan") to provide our officers, employees and directors with additional incentives to promote our growth and performance. The Equity Incentive Plan will remain in effect for a period of ten years following adoption by stockholders.

The Equity Incentive Plan authorizes the issuance of up to 172,373 shares of our common stock pursuant to grants of incentive and non-statutory stock options and restricted stock awards, provided that no more than 49,249 shares may be issued as restricted stock awards, and no more than 123,124 shares may be issued pursuant to the exercise of stock options. The Equity Incentive Plan is administered by the compensation committee (the "Committee") of the Board of Directors, who are "Disinterested Board Members," as defined in the Equity Incentive Plan. The Committee has full and exclusive power within the limitations set forth in the Equity Incentive Plan to make all decisions and determinations regarding the selection of participants and the granting of awards; establishing the terms and conditions relating to each award; adopting rules, regulations and guidelines for carrying out the Equity Incentive Plan's purposes; and interpreting and otherwise construing the Equity Incentive Plan.

Our employees and outside directors are eligible to receive awards under the Equity Incentive Plan. Awards may be granted in a combination of incentive and non-statutory stock options or restricted stock awards. The exercise price of options granted under the plan may not be less than the fair market value on the date the stock option is granted. Stock options are either "incentive" stock options or "non-qualified" stock options. Stock options are subject to vesting conditions and restrictions as determined by the Committee. Upon the occurrence of an event constituting a change in control of Cullman Bancorp, Inc., as defined in the Equity Incentive Plan, all stock options will become fully vested, and all stock awards then outstanding will vest free of restrictions.

Stock awards under the Equity Incentive Plan will be granted only in whole shares of common stock. Stock awards will be subject to conditions established by the Committee that are set forth in the award agreement.

The Committee approved awards under the Equity Incentive Plan on January 18, 2011. All awards of restricted stock and stock options provide for a five-year vesting schedule (20% per year). Pursuant to the awards, all recipients of restricted stock awards are entitled to cash dividends on common stock awards, and may vote such awards, whether such awards are vested or not. Apart from the vesting schedule, there are no performance-based conditions or any other material conditions applicable to the awards made on January 18, 2011.

Transactions with Certain Related Persons

Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk or repayment or present other unfavorable features. Cullman Savings Bank is therefore prohibited from making any loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made under a program generally available to all other employees and that does not give preference to any executive officer or director over any other employee. Additionally, all future material affiliated transactions and loans, and any forgiveness of loans, must be approved by a majority of our independent directors who do not have an interest in the transactions and who had access, at our expense, to legal counsel.

Loans to directors, executive officers and employees on their primary residence are included in Cullman Savings Bank's Employee Loan Program. This program offers an adjustable rate that adjusts every December to the monthly median cost of funds as published by the Office of Thrift Supervision, plus 1.00% rounded up to the nearest 0.25%. At December 31, 2010 this rate was 2.75%.

Set forth below is certain information as to loans made by Cullman Savings Bank to certain of its directors and executive officers, or their affiliates, whose aggregate indebtedness to Cullman Savings Bank exceeded \$120,000 at any time since January 1, 2010, and participated in the above-referenced Employee Loan Program which is available to all employees and does not give preference to any executive officer or director over any other employee. All of the loans in the following table are first mortgage loans secured by the borrower's principal place of residence.

Name of Individual	Highest Balance Since January 1, 2010	Balance on December 31, 2010	Amount of Principal Paid Since January 1, 2010	Amount of Interest Paid Since January 1, 2010	Interest Rate On December 31, 2010

Mike Duke	258,500	248,416	10,084	8,416	2.75

Other than as described above, all loans the principal balances of which exceeded \$120,000 at any time during the period beginning January 1, 2010, made by Cullman Savings Bank to executive officers, directors, immediate family members of executive officers and directors, or organizations with which executive officers and

directors are affiliated, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to Cullman Savings Bank.

The aggregate amount of our loans to our officers and directors and their related entities was \$8.5 million at December 31, 2010. These loans were performing according to their original terms at December 31, 2010.

Additionally, neither Cullman Bancorp, Inc. nor Cullman Savings Bank have made loans to, or have engaged in material transactions with, promoters. Cullman Bancorp, Inc. has no intention of engaging in any material transactions with promoters in the future.

PROPOSAL 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors of the Company has approved the engagement of Crowe Horwath LLP to be the Company's independent registered public accounting firm for the 2011 fiscal year, subject to the ratification of the engagement by the Company's stockholders. Stockholder ratification of the selection of Crowe Horwath LLP is required by the Company's Bylaws. At the Annual Meeting, stockholders will consider and vote on the ratification of the engagement of Crowe Horwath LLP for the Company's fiscal year ending December 31, 2011. A representative of Crowe Horwath LLP is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement, if deemed appropriate.

The Board of Directors is submitting the selection of Crowe Horwath LLP as the Company's independent registered public accounting firm to the stockholders for ratification pursuant to the Company's bylaws and as a matter of good corporate practice. If the stockholders fail to ratify the selection of Crowe Horwath LLP, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

Audit Fees. During the past two years the fees billed for professional services rendered by Crowe Horwath LLP (the "Independent Auditor") for the audit of the annual financial statements were \$75,500 for 2010 and \$75,000 for 2009.

Audit-Related Fees. During the years ended December 31, 2010 and 2009, there were aggregate fees of \$5,000 and \$0, respectively, billed for professional services by the Independent Auditor that were reasonably related to the performance of the audit.

Tax Fees. During the past two years there were no fees billed for professional services by the Independent Auditor for tax services such as tax advice, tax planning, tax compliance, or the review of tax returns.

All Other Fees. There were no other fees billed during the year ended December 31, 2010 or 2009. The Audit Committee considered whether the provision of non-audit services was compatible with maintaining the independence of its independent registered public accounting firm. The Audit Committee concluded that performing such services in 2010 did not affect the independent registered public accounting firm's independence in performing its function as auditor of the Company.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedited services are necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with

this pre-approval, and the fees for the services performed to date. All audit and non-audit services for the past two years were pre-approved by the Audit Committee.

In order to ratify the selection of Crowe Horwath LLP as the independent registered public accounting firm for 2011, the proposal must receive at least a majority of the votes cast “FOR” or “AGAINST”, either in person or by proxy, in favor of such ratification.

The Board of Directors recommends a vote “FOR” the ratification of Crowe Horwath LLP, as independent registered public accounting firm for the 2011 year.
