OVERDRAFT COVERAGE OPTIONS

Life happens! Cullman Savings Bank understands that unexpected overdrafts occur from time to time – Overdraft Coverage can help. The choice is yours. Consider these ways to cover overdrafts:

Service	Cost

Overdraft Privilege	\$25 Overdraft/NSF Paid Fee per item

Call us at (256) 734-1740 or come by a branch to sign up for this service.

Overdraft Protection applies to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from another account you may have at Cullman Savings Bank.

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have overdraft protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted. Please review the **“What Else You Should Know”** section included with this letter for other important information.

What Else You Should Know

- A link to another account may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$25 Overdraft/NSF Paid Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft/NSF Paid Fee or an Overdraft/NSF Returned Fee of \$25. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- For consumer accounts, there is a limit of 5 Overdraft/NSF Paid Fees (\$125) per day we will charge. These exceptions do not apply to business accounts.

- Our general policy is to post items throughout the day and to post offline credits before offline debits. Online monetary transactions (online credit and debit transactions) which include teller, TMS, ATM, debit card, and ACH debits are posted in the order as received. Paper checks are posted in check number order. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft/NSF Paid Fees or Overdraft/NSF Returned Fees assessed.
- Although under payment system rules, Cullman Savings Bank may be obligated to pay some unauthorized debit card transactions, Cullman Savings Bank will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft/NSF Paid Fees for transactions that we would otherwise be required to pay without assessing an Overdraft/NSF Paid Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until you otherwise withdraw it.
- Cullman Savings Bank authorizes and pays transactions using the available balance in your account. Cullman Savings Bank may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the current balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available overdraft protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the current balance, less any holds on deposited funds and any debit card holds, plus any available overdraft protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Cullman Savings Bank's ATMs.
- Cullman Savings Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft/NSF Paid Fee may be assessed.
- Except as described in this letter, Cullman Savings Bank will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- Cullman Savings Bank may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described in this letter). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- Cullman Savings Bank may also suspend your debit card if your account is overdrawn more than thirty-two (32) consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.
- Cullman Savings Bank may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- If your debit card is suspended, you will be unable to use your debit card for purchases or to access your account at the ATM, and if you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one business day. You must bring your account balance positive for at least one business day to have Overdraft Privilege reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account Agreement and Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.
