

WHAT ELSE YOU SHOULD KNOW

- A link to another account may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$25 Overdraft/NSF Paid Fee that is charged if you overdraw your account is the same fee amount that is charged if an item is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft/NSF Paid Fee or an Overdraft/NSF Returned Fee of \$25. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Cullman Savings Bank will charge an Overdraft/NSF Returned Fee each time it returns the item because it exceeds the available balance in your account. If, on re-resentation of the item, the available balance in your account is sufficient to cover the item Cullman Savings Bank may pay the item, and, if payment causes an overdraft, charge an Overdraft/NSF Paid Fee.
- Our general policy is to post items throughout the day and to post offline credits before offline debits. Online monetary transactions (online credit and debit transactions) which include teller, TMS, ATM, debit card, and ACH debits are posted in the order as received. Paper checks are posted in check number order. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft/NSF Paid Fees or Overdraft/NSF Returned Fees assessed. Although under payment system rules, Cullman Savings Bank may be obligated to pay some unauthorized debit card transactions, Cullman Savings Bank will not authorize debit card or ATM transactions unless your account's available balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft/NSF Paid Fees for transactions that we would otherwise be required to pay without assessing an Overdraft/NSF Paid Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.
- Cullman Savings Bank authorizes and pays transactions using the available balance in your account. Cullman Savings Bank may place a hold on deposited funds in accordance with our Terms and Conditions, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Cullman Savings Bank's ATMs.
- Cullman Savings Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft/NSF Paid Fee may be assessed.
- Except as described herein, Cullman Savings Bank will not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- Cullman Savings Bank may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- Cullman Savings Bank may also suspend your debit card if your account is overdrawn more than 32 consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.
- Cullman Savings Bank may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- If your debit card is suspended, you will be unable to use your debit card(s) for purchases or to access your account(s) associated with the debit card(s) at the ATM while your debit card is suspended. If you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- New consumer and business checking accounts may receive a \$100 Introductory Overdraft Privilege limit at account opening that may be increased to \$500 after 30 days in good standing for consumer accounts or to \$500 after 60 days in good standing for business accounts.

- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be reduced if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Overdraft Privilege limit reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Terms and Conditions. The total (negative) balance, including all fees and charges, is due and payable upon demand.

If you have any questions about Overdraft Protection or Overdraft Privilege, please call us at (256) 734-1740 or visit a branch.
